A lecture by Dr. Gena M. Silver, MS, DVM, DACVIM (Neurology)
Neurology, Specialist • Massachusetts Veterinary Referral Hospital

March 18th, 2012 • 1:00PM

Massachusetts Veterinary Referral Hospital • Conference Room
20 Cabot Road, Woburn, Massachusetts 01801
781.932.5802

In a continuation of our Professional Education Series, Pilgrim Basset Hound Club (PBHC) has again partnered with the IVG Hospital Group to present a program on Canine Neurology and Neuro-Surgery at the Massachusetts Veterinary Referral Hospital (MVRH) in Woburn, MA. The program will be an interactive presentation followed by a question and answer period and a tour of the hospital facilities. The MVRH is a 24/7 365 days referral hospital staffed with Board certified DVM medical specialists and equipped with the latest in the state of the art medical technology. The staff will be available to discuss areas of interest in their specialty.

Dr. Gena M. Silver MS, DVM, DACVIM (Neurology)

Dr. Silver is from Nova Scotia, Canada. She earned her Dr. of Veterinary Medicine degree from the Atlantic Veterinary College in Prince Edward Island, Canada in 1995. She then completed a small animal medicine and surgery internship at Washington State University where she remained for a three-year residency in medical neurology and neurosurgery. Washington State University was the first veterinary hospital in the United States that had an in-house MRI unit, giving Dr. Silver more than 10 years of experience in using MRI as the primary imaging modality for neurologic patients. Following completion of her residency, she stayed on at Washington State for a one-year clinical instructor position in neurology and neurosurgery. Dr. Silver is board-certified in neurology by the American College of Veterinary Internal Medicine. Dr. Silver is a member of the, American College of Veterinary Medicine, American Veterinary Medical Association and the Massachusetts Veterinary Medical Association.
