VACCINATION PROTOCOLS AND INFECTIOUS  
AND ZOOONOTIC DISEASES

The Pilgrim Basset Hound Club in partnership with the IVG Hospitals Group presents a lecture on Canine Preventive Care-Vaccinations and Infectious and Zoonotic Diseases March 15 2015 at 1 pm at the Massachusetts Veterinary Referral Hospital, 20 Cabot Road Woburn MA. 01801 - Tel: 781-932-5802

11:00 Club General Meeting  
12: 00 Lunch BYOL  
1:00 Presentation

We know that preventing disease or catching it in its early stages is better than treating it once it has had time to progress to a more severe stage.

The presentation will address preventive care, vaccination protocols, and infectious and zoonotic diseases of the Canine.

Speaker

Dr. Lindsay Renzullo DVM  
Assistant Medical Director  
Bulger Veterinary Hospital  
member of the IVG network
